Dear Sir:

INTERVIEW SUMMARY AND PROPOSED AMENDMENTS

Applicant thanks the Examiner for conducting the telephone interview on April 11, 2009, and for the thoughtful consideration of this case. During the telephone interview, Applicant and Examiner discussed a modest set of amendments. The Examiner indicated that all the amendments would be entered into the record. The amendments were not based on reasons related to patentability and Applicant reserves the right for future commentary concerning these claims.

CONCLUSION

Applicant has made an earnest attempt to place the Application in condition for allowance. For the foregoing reasons, and for other reasons clearly apparent, Applicant respectfully requests full allowance of this Application.

If the Examiner feels that another telephone conference or an interview would advance prosecution of the Application in any manner, the undersigned attorney for Applicant stands ready to conduct such a conference at the convenience of the Examiner. No fees are believed to be due; however, the Commissioner is authorized to charge any fees or credit any overpayments to Deposit Account No. 50-4889 and reference CSCO-006.

Respectfully submitted,
